

The conference for ICT-research in the Netherlands  
19 & 20 March 2019, Gooiland Events, Hilversum

## Become a sponsor of ICT.OPEN2019!

> ICT.OPEN is the principal ICT research conference in the Netherlands, where over 500 scientists from all ICT research disciplines & interested researchers from industry come together to learn from each other, share ideas and network.

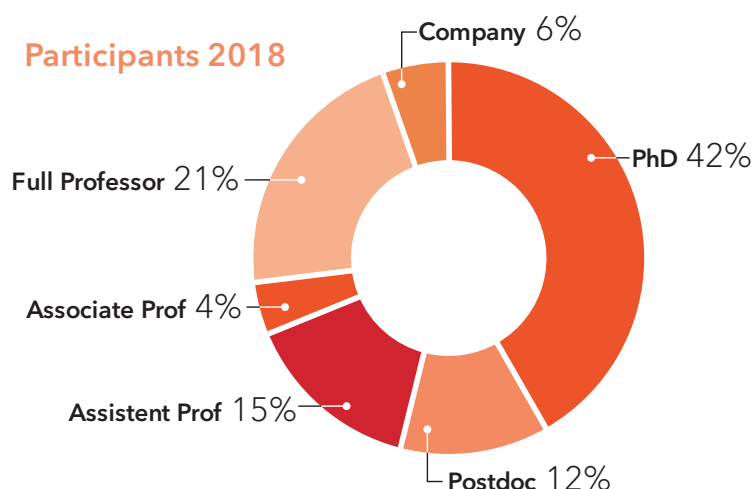

> ICT.OPEN features distinguished plenary keynotes and invited speakers, as well as many oral and poster presentations. The state of art in ICT research is presented and discussed.

## Why contribute to ICT.OPEN?

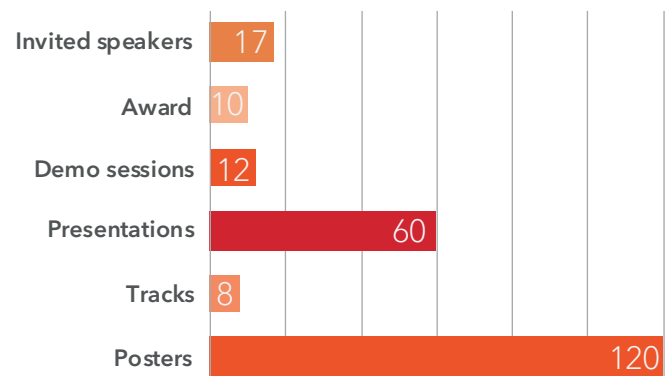

Being present at ICT.OPEN2019 gives your company the opportunity to:

- > Expand your network and maximize your visibility;
- > Recruit potential new employees from over 300 expected Ph.D. students and postdocs;
- > Build new partnerships and meet future customers;
- > Meet renowned ICT specialists from the Netherlands and abroad;
- > Gain access to cutting-edge knowledge on ICT research in the Netherlands.

**Are you interested in participating in the next edition of ICT.OPEN?  
Become a sponsor and contribute to this unique event!**
